

**Re: HB 6113 AN ACT PROHIBITING EMPLOYERS FROM INQUIRING ABOUT  
DATE OF BIRTH OR DATE OF GRADUATION ON EMPLOYMENT APPLICATIONS**

Co-Chair Kushner, Co-Chair Porter, Ranking Member Miner, Ranking Member Hall, and members of the Labor Committee, thank you for the opportunity to present this testimony.

DATE OF BIRTH INQUIRY REQUIRED BY FEDERAL REGULATION

Federal regulation (49 CFR 391.21) requires that employers ask applicants for commercial truck driving jobs about their date of birth. This is because an individual may not drive a commercial motor vehicle which requires a Commercial Driver's License across state lines until they are 21 years old. Additionally, an individual may not drive a commercial motor vehicle which requires a Commercial Driver's License within state lines until they are 18 years old.

MTAC requests that this bill include a provision which recognizes this federal regulation, and exempts any employer who is subject to this requirement from the proposed prohibition on date of birth inquiry.

PERTINENT REGULATION AND FMCSA INTERPRETATIONS

49 CFR §391.21 Application for employment.

(a) Except as provided in subpart G of this part, a person shall not drive a commercial motor vehicle unless he/she has completed and furnished the motor carrier that employs him/her with an application for employment that meets the requirements of paragraph (b) of this section.

(b) The application for employment shall be made on a form furnished by the motor carrier. Each application form must be completed by the applicant, must be signed by him/her, and must contain the following information:

(1) The name and address of the employing motor carrier;

(2) The applicant's name, address, date of birth, and social security number;

**Question 1: Is there a maximum age limit for driving in interstate commerce?**

**Guidance:**

The FMCSRs do not specify any maximum age limit for drivers.

**Question 2: Does the age requirement in [§391.11\(b\)\(1\)](#) apply to CMV drivers involved entirely in intrastate commerce?**

**Guidance:**

No. Neither the CDL requirements in [part 383](#) nor the FMCSRs in [parts 390-399](#) require drivers engaged purely in intrastate commerce to be 21 years old. The States may set lower age thresholds for intrastate drivers.

**Question 3: What effect does the Age Discrimination in Employment Act have on the minimum age requirement for an interstate driver?**

**Guidance:**

None. The Age Discrimination in Employment Act, 29 U.S.C. 621-634, recognizes an exception when age is a bona fide occupational qualification. 29 U.S.C. 623(f)(1).

Thank you for your consideration of this testimony.
